

World leader in vehicle de-pollution technology

SEDA CableShredder

P-31001 | 31003 | 31004

Your benefits

- ✓ Electrical cables, copper and aluminium
- ✓ 2 mm minimum diameter
- ✓ Quiet
- ✓ Easy to use
- ✓ Easy maintenance
- ✓ Compact design

ECable-Recycling

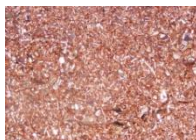

SEDA products represent the ultimate in functionality and quality. Many years of experience allow us to offer the right equipment for the specific needs of vehicle dismantlers and recycling organizations.

Are you maximizing your profits by unlocking the valuable copper content from scrap electrical cables? The new supplied SEDA cable granulating systems quickly and efficiently granulates electrical cables before separating the copper from their rubber or PVC housings.

Traditionally copper wire granulators and separators were too big, consumed too much power and were too expensive for dismantlers.

With their low price and impressive R.O.I. both models allow you access to otherwise lost profits contained in copper cables.

Granulated Hi-Value 95 % + Copper Purity

Plastic Granulate

SEDA-Umwelttechnik GmbH

Schwendter Str. 10 / A-6345 Kössen/Tirol/Austria
UID-Nr.: ATU56621622 / FB-Nr.: FN 231790 v / FB-Gericht: Innsbruck
Certified company DIN EN ISO 9001

+ Your benefits:

CableShredder 415 EKO

Fast operation

TECHNICAL DETAILS

| | 215 EKO | 315 EKO | 415 EKO |
|---------------|-------------------------------|-------------------------------|--------------------------------|
| Length: | 900 mm | 1.000 mm | 1.350 mm |
| Width: | 800 mm | 1.000 mm | 1.350 mm |
| Height: | 1.500 mm | 1.570 mm | 2.135 mm |
| Weight: | 350 kg | 458 kg | 900 kg |
| Power supply: | 4,5 kW 400 V 50 Hz, 3 Ph+N | 6,4 kW 400 V 50 Hz, 3 Ph+N | 10,5 kW 400 V 50 Hz, 3 Ph+N |
| Performance: | app. 50 kg/h | app. 80 kg/h | app. 150 kg/h |
| Order number: | P-31001 | P-31003 | P-31004 |

You get more informationen (f.e. about spare parts) on request.

End-of-life vehicle ECable-Recycling

A complete recycling system for car cables. In addition to the SEDA CableShredder 315 EKO (in a special design), this system includes a pre-shredder with conveyor and magnetic cutter as well as a powder dosing unit, which prevents the screen from clogging. This complete system was specially designed for car recyclers.

You get more information on request or online at:
www.seda.at

ORDER INFORMATION

Complete system with pre-shredder, powder dosing unit & CableShredder (P-31080)

Pre-shredder with conveyor and magnetic-cutter P-31083

Powder dosing unit P-31081

CableShredder 315 Eko+ P-31003
