## SEDA GreenPoint

Fuel-Set EP

### Drainage tool

The new SEDA product line with original, high quality SEDA products for small enterprises.

The remarkable SEDA TankDrillingMachine drills through petrol tanks and sucks out petrol at a rate of up to 20 liters per minute without spilling a drop. Its robust design and ease of use have made it the car dismantlers favourite around the world.

The new GreenPoint NA-VR pump is specially designed for low cost by maximum efficiency. The pump works perfect with the SEDA TankDrillingMachine.
