

World leader in vehicle de-pollution technology

SEDA Working platform N-527222

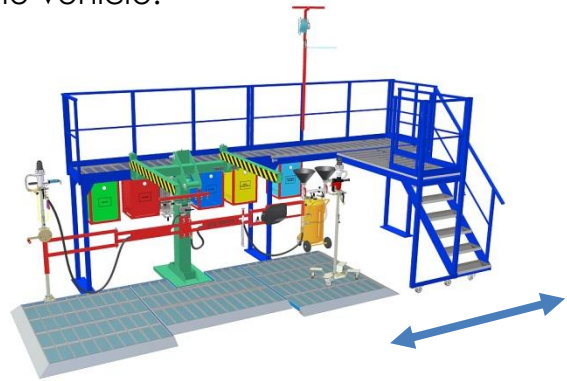

Your benefits

- ✓ Simultaneous drainage from above and below
- ✓ For all types of vehicles
- ✓ Safety gratings
- ✓ Movable platform
- ✓ Specially developed for end-of-life vehicle recycling

Movable Working platform

An easily movable and adjustable staircase reduces the risk of falling and ensures that vehicles of all sizes can be drained with ease. Largely increasing access, the raised platform enables simultaneous drainage from above and below the vehicle.
