SEDA Antistatic Set N-52687

Symbol photos

With the SEDA antistatic set, a potential equalization can be ensured simply and reliably, thereby preventing electrostatic charging in the hazardous area.

The set includes:

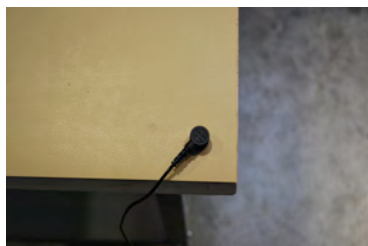

Assembly table with antistatic coating with 10 mm push button equalizing cable, solder and heat resistant, abrasion resistant
Antistatic floor mat with 10 mm push button equalizing cable, two-layer composite covering, abrasion resistant, chair rolls suitably across
Antistatic band with Velcro closure for normal shoes
Potential equalizing cable for antistatic table covering
Potential equalization cable for antistatic floor mat

Antistatic gloves are essential, but are not included in the set.

Your benefits:

- ✓ Secure protection
- ✓ Easy to assemble
- ✓ Reliable

TECHNICAL DETAILS

Safety resistance
Antistatic band for shoes: 1 MOhm
