## SEDA Storage Racks

N-527532

### Vehicle Storage Racks

**A more efficient ELV storage solution establishes order, cleanliness and ease of keeping track of your vehicles.  
More space saving: up to 75 % saving on vehicle capacity.**

The strong cantilever arms are easily removed and re-attached to give versatility within the rack for various vehicle sizes. The robust cantilever arm also has a specially forged headstock giving the strongest protection with even the highest loads.

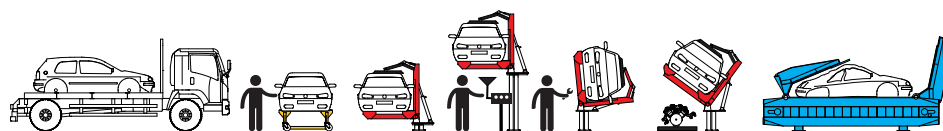

### Your benefits:

- Professional storage solutions for end of life vehicles
- Indoor and outdoor use
- Storage technology according to EU directives
- Maximizing space
- Larger vehicle storage capacity
- Direct access to each individual vehicle
